

# 2024 PRICE LIST

ClearPC console cases are designed by a certified PC technician to help prevent tampering and physical damage. The lock boxes are also designed to deter parts theft and physical tear-aways and are optimized for heat dissipation. All lock boxes are desk mountable, some may be wall mountable as well. All lock boxes ship with a set of keys. For more information, or to place an order, please have your purchasing agent send a PO via email to:
